

Data provided by Data Analysis Unit of Queensland Transport on 8 April 2008
 dataanalysis@transport.qld.gov.au

Amended with updated fine total.

During 2007 there were 9,598 bicycle infringement notices issued within Queensland. The total amount in fines for this period was \$716,005. The infringements were issued throughout Queensland and various types of offences. A breakdown of offences by district and offences by type is provided below.

We are unable to specify whether the fines were issued during campaigns or whether they were issued during routine policing. The data provided is all that is currently available.
